

THE CAROLYN RESNICK METHOD™

The Foundation for all Equestrian Pursuits

An Introductory Clinic in the Waterhole Rituals™ A unique female approach to natural horsemanship

Yearn for a relationship with your horse based on mutual trust and respect - a true partnership? Now, through the pioneering work of Carolyn Resnick, you can enjoy the true magic of quite literally dancing with your horse.

Julia Felton and Stina Herberg are pleased to present the seven Waterhole Rituals which forms the basis of the Carolyn Resnick Method. Based on positive feedback, these rituals harness the horses natural tendencies, developing an enthusiastic partner with great self esteem.

Our 2 day course covers horse psychology and the natural behaviours of wild horses, then puts this knowledge into practice with the seven Waterhole Rituals. Results are experienced through a meeting of hearts and minds, in which there is no place for coercion. Practice of the Waterhole Rituals helps you develop a working bond with your horse where the relationship is original, organic and life enhancing.

If you are looking for a quick fix for your horse then this course is not for you. However, if you would like to embark on a magical journey to dancing with your horse through magnetic connection, then this is for you.
